Kia Ora Whānau and Caregivers.

Week 6 finished and the excitement for our Year 5 and 6 students is building. They are off to Rotorua for their Away Camp. Planning and fundraising has been done and all that is left is to have a great time. We know that the school values will travel with them and the activities they are doing will definitely make them use their Learner Qualities. Our end of year assessments have finished and now we are writing reports that reflect the growth our learners have had. It is always a time for reflection and celebration on effort and attitude that has been put in.

The End Of Year Celebrations are next on our calendar. We have a Music Concert to showcase our talented students, a Whanau Day at the Kiwa Pools to celebrate a year well done, as well as a Pōwhiri for Mr Hooks and Prize Giving and Farewell to our Year 6's. We ensure that our classroom programmes continue to run and expectations don't slip. It is important for our learners to know that we are not stopping learning until the last day.

Take care and stay safe over the weekend -kia tupato me te noho haumaruru i nga wiki.

JAKE

These last couple of weeks we have been doing check-ins to see how you are going with your learning. I have been really impressed on how focussed you have been during those check-ins, especially for your writing. You wrote sentences all on your own about a hunting trip. You read and reread your sentences, kept improving them until you were happy with them. You showed great determination and perseverance. In reading you worked out each word in your head and made sure you understood what you read. That was evident when you told me about the story, you remembered all the details! Tau ke Jake, keep it up!

HANNAH

Hannah, you love to learn. You are self-motivated and you enjoy a challenge.

You take pride in your success in your learning and in presenting your learning well. You make a huge effort to keep our classroom tidy and make sure that our chromebooks are plugged into the chargers at the end of the day. You are a great team player, always willing to work with others and to help them if they need it. What a Powerful Learner Superhero you are Hannah! Keep up your amazing mahi!

BELLA

Bella you are a quiet worker who is taking more responsibility for your own learning. You know that finishing your tasks in time is important and you are working on this. It is great to see the steps you have taken with your learning and this shows just how capable you are. You have a cheeky smile and a kind nature so others like to work with you. You are growing in confidence and are zooming to the stars! Ka pai tō mahi Bella!

BEN

Ben you are someone who sets your mind to doing something, makes a plan, then works incredibly hard to achieve it. You aim high and persevere until you are happy you have reached your goals. This attitude has resulted in excellent achievement at the end of year check ins and great personal growth across all areas of schooling. You will be a great year 6 leader next year and I am looking forward to seeing what the future brings for you! Ka pai tō mahi!
