Kia ora Parents, Caregivers and Whānau,

A chilly start to most days this week with a few frosty mornings, but it has been great to enjoy the sunshine that has followed to make for an enjoyable week three.

At Ormond School, our vision is to Grow Great People. We believe that every child possesses immense potential and it is our privilege to partner with you in unlocking it.

Children become and reflect the actions and experiences of their world around them. The adults in their lives – parents, teachers, and the wider community – shape their beliefs, attitudes, and behaviours. Our school values of Respect, Responsibility, Resilience and Reflection underpin our commitment to creating a nurturing environment where every child can thrive.

We understand that the journey of raising a child is a shared one, it takes a village to raise a child. Your involvement in your child's education is invaluable. By working together, we can create a partnership that supports your child's holistic and academic development.

There are a number of ways that we can collaborate and work together:

- **Open Communication:** We encourage open and honest dialogue. Please share your child's strengths, challenges, or any concerns you may have.
- **Modelling Our Values:** Children learn by observing. Let's demonstrate Respect, Responsibility, Resilience and Reflection in our words and actions, both at home and school.
- **Building Strong Relationships:** We believe in the power of positive relationships. Let's create a supportive and caring community where everyone feels valued.
- **Celebrating Successes:** Let's acknowledge and celebrate our children's achievements, big or small. This boosts their confidence and motivation.

Remember, every child is unique and capable of extraordinary things. By working together, we can create an exciting future for our children.

Noho ora mai rā, Stay safe and have a great weekend! Jonathan Poole - Tumuaki / Principal

If you are going to be late for pick ups, please let the school know (06 862 5725, e-mail, facebook messenger) so we are aware of this as Teachers and staff are not always available after 3pm due to meetings, Professional learning off site and on occasions their own commitments.
